Importance: High

Good Afternoon,

Thank you all for your time and progress reports last Friday during our July 10th Action Leaders meeting! It was a fantastic discussion and will help to inform all of us as we continue to move forward.

The Phase 3 WIP State Team meeting is this coming Monday, July 20 from 1 – 4 PM. You all should have received a meeting invite from Darek Jageila with the Web-Ex link (please let me know if you have not). We will review the ground rules for engagement through the web-ex virtual format prior to the start of the meeting (muting/unmuting, raise hand feature, chat box, etc.). **Please log-in at least 5-10 minutes before the meeting begins to ensure a smooth start.**

I've attached the agenda and presentation materials for the meeting. Along with the reports provided during our last Action Leaders meeting, Deb Klenotic will give a presentation related to the Communications and Engagement strategy and Elizabeth Grant and Erin Letavic will provide a "local spotlight" presentation on the Cumberland County CAP development.

We've identified a list of partners on the agenda for reporting, but that doesn't close the door for others on this team to provide an update. We'd also like to hear from our NRCS and EPA partners, as well.

We ask that you come prepared to provide progress since January and what's coming up in the next six month period. This meeting is open to the public, so it is your time to shine!

Looking forward to seeing all of you (remotely) on Monday afternoon!

Thank you,
